NOTE: Powder samples quantity must be a minimum of 0.5 g

TERMS AND CONDITIONS

- Please specify the nature of your sample if it contains any toxic/ flammable/ hazardous/ explosive component. If the sample causes any harm at any instance of the analysis, it will be the responsibility of the user to suitably compensate CSIF for the same.
- Potentially hazardous samples will not be accepted for analysis.
- The results provided by CSIF will depend on your sample. However, any clarification regarding the results has to be cleared in a week from the date of despatch of results.
- The samples will be stored only for two weeks after analysis.
- All users are required to acknowledge CSIF, University of Calicut while publishing the results in journals, dissertation, thesis etc. A copy of such publication must be submitted to CSIF for reference and record via Email: csiftechnical@uoc.ac.in
- The charges (if any) have to be paid at the time of delivery of samples for analysis. All the payments should be made to the CSIF, University of Calicut.
- Partially filled form and form without office seal will be summarily rejected.

I/We agree to the above terms and conditions.
